

Praj Matrix honored with Bio-Excellence Award for the 3rd time

Praj has been awarded the Bio-Excellence Award 2013 for its outstanding contribution to BioIndustrial Sector by Praj Matrix- the innovation center. Praj was also awarded with Bio Excellence Award in 2009 and 2012.

Praj Matrix has been continuously working towards creating a sustainable world through new technologies through innovation and research. It is involved in research in the area of 'clean technologies' with a special focus on sustainability, as well as other biotech related developments.

Bangalore India Bio is India's leading Biotech Event which has been instrumental in showcasing the strengths of the State as well as the Country in the field of Biotechnology to the international community. The event is organized by the Department of IT, BT and S & T, Government of Karnataka in association with Vision Group on Biotechnology (an apex Advisory Body headed by Dr Kiran Mazumdar Shaw and consisting of members from both public and private sectors).
