

Praj Industries ranked No.1 among the “Best Places to Work in the advanced bioeconomy 2020”

US based Biofuels Digest, the world's most read biofuels daily, announced the results following a survey conducted among its readers worldwide. Praj leads the pack of 297 organizations globally to secure this great honour.

This is certainly an excellent recognition of Praj's pioneering work over three decades in the advanced bioeconomy and we thank you for wholeheartedly participating in the survey. This ranking is the result of the relentless efforts of our immensely talented people, inspiring leadership, culture, technological prowess and above all, our chairman's vision of making the world a better place. We would like to thank all our stakeholders and well wishers who voted for Praj.
